Walk to School

Next week Class 2 & 3 will be taking part in this initiative and it would be great if you could help us! Each day children can add a sticker to the class chart if they have walked all or part of the way to school. There will be activities everyday for the children to complete in their own diary and they will learn about the benefits of walking.

Internet use

County have received two reports recently of police investigations into the misuse of social networking platforms, specifically children being persuaded to 'friend' and interact with individuals who then act inappropriately towards them.

It is so important to closely monitor your children's internet activities, in particular their use of the latest apps, websites and games.

The NSPCC has produced some excellent advice for parents on their 'Share Aware' website:

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/share-aware/>

In addition, the 'Net Aware' site has specific advice on the 50+ most popular sites, games and apps used by young people.

<https://www.net-aware.org.uk/networks/?order=-popularity>

'ooVoo' in particular has raised significant safety concerns and additional advice on this site can be found on the parentINFO / CEOP site:

<http://parentinfo.org/article/oovoo-everything-you-need-to-know>

Thank you

Thank you for supporting our cake sale in Early Years – we raised over £100 for the rockery garden in the outdoor area which looks fantastic!
