Council England

Dear Families,

With some COVID restrictions set to change from Monday, I just wanted to let you know that having checked government guidance all of the routines and rules we have put in place around school to keep everyone safe, **remain unchanged** and will continue to be followed. This includes no mixing of bubbles, following a one way system, good hand hygiene and the use of face coverings by parents and staff.

With the easing of restrictions it is still really important to remain cautious to avoid any outbreaks in our community. So I ask that everyone remembers **not to come on to the school site if you or any member of your household has symptoms of COVID 19. Please isolate, inform us and book a test immediately.**

Please see the information below relating to the changes in England from Monday;

What you can and cannot do in England from 17 May

From Monday 17 May, some of the rules on what you can and cannot do in England will change as we move into [Step 3 of the Government's roadmap out of lockdown](#).

Here's what's changing on 17 May:

- Gathering limits will be eased. Outdoor gatherings will be limited to 30 people and indoor gatherings will be limited to 6 people or 2 households
- New guidance on [meeting friends and family](#) will emphasise personal responsibility rather than government rules. Instead of instructing you to stay 2m apart from anyone you don't live with, you will be encouraged to exercise caution and consider the guidance on risks associated with COVID-19 and actions you can take to help keep you and your loved ones safe. Remember that the risks of close contact may be greater for some people than others and in some settings and circumstances, there will be specific guidance that you will need to follow even when you are with friends and family.
- Indoor entertainment and attractions such as cinemas, theatres, concert halls, bowling alleys, casinos, amusement arcades, museums and children's indoor play areas will be permitted to open with COVID-secure measures in place
- People will be able to attend indoor and outdoor events, including live performances, sporting events and business events. Attendance at these events will be capped according to venue type, and attendees should follow the COVID-secure measures set out by those venues
- Indoor hospitality venues such as restaurants, pubs, bars and cafes can reopen

- Organised indoor sport will be able to take place for all (this includes gym classes). This must be organised by a business, charity or public body and the organiser must take reasonable measures to reduce the risk of transmission
- All holiday accommodation will be open (including hotels and B&Bs). This can be used by groups of up to 6 or 2 households
- Funeral attendance will no longer be limited to 30 people, but will be determined by how many people the COVID-secure venue can safely accommodate with social distancing. Limits at weddings, wakes and other commemorative events will be increased to 30 people. Other significant life events, such as bar/bat mitzvahs and christenings, will also be able to take place with 30 people
- The rules for care home residents visiting out and receiving visitors will change, allowing up to five named visitors (two at any one time), provided visitors test negative for COVID-19
- All higher education students will be able to access in-person teaching
- Support groups and parent and child group gathering limits will increase to 30 people (not including under 5s)
- There will no longer be a legal restriction or permitted reason required to travel internationally. There will be a traffic light system for international travel, and you must follow the [rules when returning to England depending on whether you return from a red, amber or green list country](#).

You should:

- continue to work from home if you can
- when travelling within the UK, aim to do so safely & plan your journey in advance
- [get a test](#) & follow the [stay at home guidance](#) if you have COVID-19 symptoms

Kind regards,

Clare McGregor
