

In **Maths** we will be covering;

### Place value/Calculation

- Reading and writing numbers to 100 and beyond
- *Addition and subtraction number sentences using the column method*
- Money
- Shape

### Multiplication & Division

To count in 2's, 5's, 10's and divide by these.

**RE** - In RE we will be covering Thanksgiving and Opportunities . Please see the Spring term Come and see Newsletter.

In **English** our theme for learning is Poems with a pattern.

### Our Spelling, Punctuation and grammar

#### focuses are to:

- \*Use capital letters, a full stop & finger spaces between words in our sentences.
- \*Use capital letters for; names of people, places, days of the week etc.
- \*Using conjunctions to extend sentences (because, and so)
- Use adjectives to make sentences more exciting
- Spell high frequency words correctly

In **Science** we will continue to explore living things and their habitats with a focus on the ocean. We will be learning about the layers of the ocean, the animals that live in the ocean and how humans are impacting their habitat.

## **Class 2 Spring Term 2**

### **Creative curriculum**

**Music** - Singing, learning rhythm, beat and pitches and playing instruments.

**DT:** The children will be learning about a healthy diet and will be cooking healthy dishes.

### **PE**

Children will be learning Rugby skills this half term every Tuesday.  
**Children must bring in a full PE kit and a water bottle.**  
Swimming - Thursdays

**History** We will be learning about the Moon Landing and Neil Armstrong. We will learn about his life and what impact the Moon Landing has had on us today.

### **Computing**

This term we will look at handling data and multimedia. Children will be taught how to collect data and show data in different ways as well as being creative with technology tools.

### **PSHE / RSHE**

Circle time- Perseverence/Resilience
